THE ARMEHAN PEOPLE

Blemishes and Virtues of an Interesting and Mysterious Race.

Armenians is just present in the public eye here in America in connection with the recent

pressing and serious subject of the condition of the Armenian nation in Turkey, and the

people in general are aware that the Armenians are a people of long standing

ancestry, that they are a peace-loving, industrious, and thrifty people, that they

are fond of education, and that they are a people of great intelligence and

discipline. These and other characteristics of the Armenian people are

undeniable, but there are many other characteristics that are less

favorable to the Armenians. These characteristics are

vexing and perplexing, and they are a source of anxiety and

disappointment to those who are interested in the welfare of the

Armenian people. These characteristics are

narrative.
